

**AGENDA**  
**COMMUNITY DEVELOPMENT ADVISORY BOARD**  
**4:15 P.M.**  
**MONDAY, January 11, 2021**  
**VIRTUAL MEETING**

1. Call to order, Roll call
2. New Board Members
3. Minutes of the June 22, 2020 meeting: Motion
4. Election of board chair and vice chair
5. Public Hearing #3 2019-20 CAPER
  - a. Open Public Hearing
  - b. Close Public Hearing
  - c. 2019-20 CAPER, Final Plan: Motion
6. Update on the CARES Act CDBG funds
7. Discussion on 5 year Consolidated Plan for 2022-2026
8. Upcoming 2021 AAP
9. Adjourn: Motion

**COMMUNITY DEVELOPMENT ADVISORY BOARD  
MONDAY, June 22, 2020, 4:15 P.M.  
COMMISSION ROOM, CITY HALL  
LEAVENWORTH, KANSAS**

Chairman Charles Davis called the meeting to order at 4:15 p.m. and noted a quorum was present. Board members present Bobbi Snyder, Sister Paula Rose, Ralph Taylor and Mike Seufert. Sonya Gordon was absent. Staff members present were Community Development Coordinator Mary Dwyer and Administrative Assistant Michelle Baragary.

Charles Davis, Bobby Snyder, Ralph Taylor, Mary Dwyer and Michelle Baragary were present in the commission chambers. Sr. Paula Rose and Mike Seufert participated via GoToMeeting.

Chairman Davis called for the first item on the agenda: Approval of the minutes from June 8, 2020 meeting. Ms. Snyder moved to approve the minutes as presented, seconded by Mr. Seufert and approved by a vote of 5-0.

Chairman Davis called for the next item on the agenda: to hold Public Hearing #2 for the Community Development Block Grant (CDBG) funds.

Chairman Davis opened the public hearing and called for questions, comments, or concerns. With no questions or comments from the public or board members, Chairman Davis closed the public hearing.

Chairman Davis called for the next item on the agenda: Vote to submit the 2020-21 Annual Action Plan for CDBG to the City Commission. The 2020-21 AAP was approved by a vote of 5-0.

Chairman Davis called for other matters or correspondence.

Mr. Seufert asked about funding a tool library where residents of the City of Leavenworth could rent tools for home improvements.

Ms. Dwyer stated if there was an agency in the City that wants to operate and maintain a tool library, CDBG funds could be used for toward this for low/moderate income families. This suggestion will be looked into for next year's funding.

Ms. Dwyer spoke about the COVID funds stating \$101, 489 was allocated to public service agencies. Application have been received and will be screened to award funds. Still waiting for guidelines from the federal government for small business funding.

Chairman Davis call for a motion to adjourn. Mr. Seufert moved to adjourn, seconded by Sr. Paula Rose and approved by a vote of 5-0.

Meeting adjourned at 4:24 p.m.

# DRAFT

## **CONSOLIDATED ANNUAL PERFORMANCE & EVALUATION REPORT**

**COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM**

**July 1, 2019 – June 30, 2020**

**LEAVENWORTH, KANSAS**

## **CR-05 - Goals and Outcomes**

### **Progress the jurisdiction has made in carrying out its strategic plan and its action plan.**

#### **91.520(a)**

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

This year the Coronavirus impacted our ability to effectively carry out our home repair program. We repaired 15 homes as opposed to the 20 projected. For Home Ownership Assistance Program we assisted five (5) low/moderate income residents purchase a home. Tightness in the housing market at the price point affordable to first time buyers continues to lower the numbers we serve in home ownership.

In Neighborhood Stabilization, we removed from our neighborhoods five residential structures deemed dangerous by the City Commission. Finally, we provided funding to seven public service agencies to serve low/moderate income needs and they served 13,311 individuals versus the projected 7,800 individuals. The sharp increase is due to the Coronavirus impact jobs especially those in the low income sector.

In April the federal government allocated \$201,489 to prepare for, prevent and address the Coronavirus. Regulations were slow to be released at the federal level, finally published in the Federal Register in August 2020. The City awarded its funds to public service agencies for food assistance, resident rent and utility assistance and legal assistance for evictions (\$101,489) and small business forgivable loans to assist local businesses affected by shut-downs and limited capacity ordered to fight the Coronavirus (\$100,000). These efforts are ongoing at present.

Another round of CARES funding for the City of Leavenworth was announced 9/11/20. The award was \$119,897; all of which was set aside for public service agencies to use for food, utilities and housing (rent/mortgage). Funds were approved 12/8/20 and the City is in the process of awarding as needed.

### **Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)**

Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual outcomes/outputs, and percentage completed for each of the grantee's program year goals.

**Table 1 - Accomplishments – Program Year & Strategic Plan to Date**

**Assess how the jurisdiction’s use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.**

This year was marked by impacts of the Coronavirus. Home Repair and home ownership were down as many residents sheltered in place. Public services were taxed as many low/moderate income residents were unemployed or underemployed. CARES Act funding was awarded in April but due to delayed regulations was not received until August. These funds were allocated to public service agencies and small businesses impacted by the Coronavirus.

This year the Home Repair Program (HRP) addressed 15 homes. Home Ownership Assistance Program assisted five (5) low/moderate income residents purchase their first house. Both numbers were lower due to the Coronavirus.

In Neighborhood Stabilization, we removed from our neighborhoods five residential structures deemed dangerous by the City Commission. Finally, we provided funding to seven public service agencies to serve low/moderate income needs and they served 13,311 individuals.

The ESG funds received through the State of Kansas was awarded to Catholic Charities for Rapid Re-Housing and Homeless Prevention. The Homeless Prevention served three households, 13 people total and Rapid Rehousing served six households, 23 people total. All those were served through ESG were low income.

CDBG-CV, funded by the CARES Act, has been allocated to five public service agencies to address food, rent/utility assistance and eviction issues related to the Coronavirus and has been allocated to small businesses impacted by Covid restrictions. Additionally, the City of Leavenworth put forth \$35,000 to cover rent/utility assistance while the community awaited the CARES funds.

For our Fair Housing strategies, we applied for Kansas Department of Transportation grants with City matching funds to address transportation. If awarded, service will start in 2022. In addition, the City

Commission hired a Rental Housing Advocate to address rental housing issues throughout the city since the city is over 50% rental. This was a major commitment by the City to fair housing.

## CR-10 - Racial and Ethnic composition of families assisted

Describe the families assisted (including the racial and ethnic status of families assisted).

### 91.520(a)

	CDBG
White	9,203
Black or African American	2,652
Asian	57
American Indian or American Native	110
Native Hawaiian or Other Pacific Islander	41
<b>Total</b>	<b>12,063</b>
Hispanic	385
Not Hispanic	11,678

Table 2 – Table of assistance to racial and ethnic populations by source of funds

### Narrative

The generated chart does not reflect the multi-race individuals which among the categories add up to an additional 1,266 individuals for a total served of 13,329. Then, updating the Hispanic/not hispanic chart to reflect the full participation: there were 385 Hispanics who accessed our programs and 12,944 not Hispanic.

**CR-15 - Resources and Investments 91.520(a)**

**Identify the resources made available**

Source of Funds	Source	Resources Made Available	Amount Expended During Program Year
CDBG	public - federal	419,799	257,010
Other	public - federal	354,886	354,886

**Table 3 - Resources Made Available**

**Narrative**

**Identify the geographic distribution and location of investments**

Target Area	Planned Percentage of Allocation	Actual Percentage of Allocation	Narrative Description

**Table 4 – Identify the geographic distribution and location of investments**

**Narrative**

We do not target our funds to a specific area in the city.

**Leveraging**

**Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.**

Leveraging was provided by public service agencies using other funds and grants to match both CDBG and ESG dollars. In addition, the City of Leavenworth allocated City funds to accomplish demolitions of dangerous structures adding to what was able to be accomplished by the CDBG funds. The City also provided funding for the Rental Housing Advocate position to address rental housing issues in the city. The City of Leavenworth, seeing the need for immediate rent/utility assistance during Covid, allocated \$35,000 of City funds. Finally, the City committed funds for local transportation which will meet one of the local fair housing goals.

No publicly owned land or property was used to address the needs identified in the plan, as none was required for our scope of work.

**CR-20 - Affordable Housing 91.520(b)**

**Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.**

	<b>One-Year Goal</b>	<b>Actual</b>
Number of Homeless households to be provided affordable housing units	68	53
Number of Non-Homeless households to be provided affordable housing units	0	111
Number of Special-Needs households to be provided affordable housing units	0	0
<b>Total</b>	<b>68</b>	<b>164</b>

**Table 5 – Number of Households**

	<b>One-Year Goal</b>	<b>Actual</b>
Number of households supported through Rental Assistance	330	330
Number of households supported through The Production of New Units	0	0
Number of households supported through Rehab of Existing Units	20	15
Number of households supported through Acquisition of Existing Units	10	5
<b>Total</b>	<b>360</b>	<b>350</b>

**Table 6 – Number of Households Supported**

**Discuss the difference between goals and outcomes and problems encountered in meeting these goals.**

Homeless and non-homeless assistance was provided by ESG funds. Rental assistance was provided through the Leavenworth Public Housing Authority. Home Repair assistance was less than projected due to the Covid crisis. The City of Leavenworth goal of acquisition of existing structures through CDBG funds was also less than projected due to the Covid crisis.

**Discuss how these outcomes will impact future annual action plans.**

We will continue to refine community reporting to get accurate counts for housing efforts.

**Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.**

<b>Number of Households Served</b>	<b>CDBG Actual</b>	<b>HOME Actual</b>
Extremely Low-income	3,528	0
Low-income	773	0
Moderate-income	124	0
<b>Total</b>	<b>4,425</b>	<b>0</b>

**Table 7 – Number of Households Served**

**Narrative Information**

***CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)***

**Evaluate the jurisdiction’s progress in meeting its specific objectives for reducing and ending homelessness through:**

**Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs**

Leavenworth homeless services include an emergency shelter, the Interfaith Shelter of Hope. The Alliance Against Family Violence shelter for domestic abuse victims has reopened and is providing emergency housing. CDBG public service agencies, Catholic Charities of Northeast Kansas and Welcome Central provided rent and utility assistance for low income residents.

Prevention is also an important component of the homeless network and the Emergency Solutions Grant (ESG) provides support of Homeless Prevention and Rapid Housing Restart. Both of these programs are important strategies to battle homelessness. In addition to CDBG public service assistance and ESG, the local churches offer weekly meals on a rotating basis as an outreach for the homeless. The nonprofit, Welcome Central, provides a one point stop for homeless and low-income persons to access services and navigate the various systems for assistance.

**Addressing the emergency shelter and transitional housing needs of homeless persons**

The Shelter of Hope offers the city's night-only shelter. The Alliance Against Family Violence provides emergency shelter for victims of domestic violence. Catholic Charities of Northeast Kansas offers homeless prevention and rapid rehousing programs funded through CDBG and ESG. The nonprofit, Welcome Central, offers day services for the homeless, as well as limited transportation.

**Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs**

The City supports homeless prevention activities through its Public Service agencies. Some of these agencies provide rent and utility assistance to avoid eviction and shutoff. Catholic Charities of Northeast Kansas (CCNEKS) offers homelessness prevention and rapid re-housing services funded in part with CDBG and ESG funds. CCNEKS has started financial literacy classes to help families avoid becoming homeless. Finally, Salvation Army and Welcome Central provide rent/utility assistance for Leavenworth residents.

Due to the location of the Veteran's Administration Medical Center in the City of Leavenworth, we have many veterans who were discharged from the VA and remain in the area and are in need of housing. The Dwight D. Eisenhower Veterans Affairs Medical Center (VAMC) houses some of these individuals in the Domiciliary and Safe Haven program. Others are assisted with the Veterans Administration Supportive Housing (VASH) program which is managed by the Leavenworth Housing Authority.

Prisoners and their families also sometimes constitute part of Leavenworth's homeless population. A Federal prison is located in Leavenworth as well as the minimum security prison in neighboring Lansing. The Kansas Department of Corrections offers reentry services for offenders being released from correctional institutions. The Grossman Center serves as transitional housing assistance for incarcerated minimum security adult men and women eligible for pre-release. The Guidance Center provides mental health assistance to the homeless.

The National Alliance for Mental Illness (NAMI) assists those with mental illness who are homeless. The Guidance Center has a hospital liaison that coordinates discharge from psychiatric hospitals. They also served individuals with mental illness and substance abuse.

**Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to**

**permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again**

Welcome Central is a local agency that provides direct services to the homeless. They serve as a central point of information about assistance throughout the city. Catholic Charities of Northeast Kansas and Salvation Army also provide direct service to the homeless including food, clothing and rent/utility assistance. These agencies work to shorten the period of time that individuals or families experience homelessness. Catholic Charities also provides Rapid Re-Housing services for the homeless through Emergency Solutions Grant funds provided by the state.

### ***CR-30 - Public Housing 91.220(h); 91.320(j)***

#### **Actions taken to address the needs of public housing**

The Leavenworth Public Housing Authority handles a 105-unit high-rise (Planters II) and a voucher program which has housing choice vouchers. In conjunction with the Veteran's Administration, the housing authority administers VASH certificates. These programs serve the City and County public housing needs.

#### **Actions taken to encourage public housing residents to become more involved in management and participate in homeownership**

The Leavenworth Public Housing Authority has an active resident council as an avenue for residents to be involved in management. The City of Leavenworth Home Ownership Program materials are available throughout the community; however, since the residents of Planters II are elderly or disabled with limited incomes, they rarely seek housing elsewhere.

#### **Actions taken to provide assistance to troubled PHAs**

The Leavenworth PHA is not categorized as "troubled." We operate a housing authority rated as a high performer.

### ***CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)***

**Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)**

Not addressed in this grant year.

**Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)**

The primary obstacle to meeting underserved needs and affordable housing is limited funding. Both federal funding and community support have decreased, leaving programs that serve the low/moderate income individuals and families unable to meet the needs in the community. In light of the Covid crisis the City provided \$35,000 in emergency rent/utilities money to Catholic Charities to help residents cope with housing concerns during the start of the pandemic, prior to the release of CARES funding.

The CDBG program, United Way, other community agencies and area churches help to meet the underserved needs in our community.

**Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)**

Within the home repair program, lead-based paint hazards are addressed as needed for the project. Information on lead based paint is given to home ownership applicants for reference. Information on lead based paint is available at City Hall for residents to access.

**Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)**

Community job seeking programs and financial planning programs are offered throughout the city by the Leavenworth County Workforce Center, the Leavenworth Public Library, Catholic Charities of Northeast Kansas, and Welcome Central to offer poverty-level families a way out of poverty.

**Actions taken to develop institutional structure. 91.220(k); 91.320(j)**

The City created and staffed a Rental Housing Advocate position to help community residents and

landlords communicate more effectively. This generally serves low/moderate income individuals. These individuals are the ones most likely to rent substandard housing. The City of Leavenworth CDBG staff participates in the Leavenworth County Human Service Council and meets with local churches and social service agencies to increase the citywide institutional structure. The City has also started a county-wide housing group to tackle housing issues for area residents.

**Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)**

Public service agencies associated through contracts with the City provide specific services, avoid duplication of services and account for the services provided. Altogether, the system served more than 13,311 participants in a year. Agencies are required to provide budgets and monthly reports to the City with monitoring oversight provided by the City of Leavenworth, KHRC and HUD. The structure has resulted in delivery of the services needed in accordance with federal, state and local codes with compassion and respect for the clients served.

The City of Leavenworth CDBG staff participates in the Leavenworth County Human Service Council and meets with local churches and social service agencies to increase the citywide institutional structure. The City has also started a county-wide housing group to tackle housing issues for area residents.

**Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)**

In December 2016, the Fair Housing and Equal Opportunity office at HUD approved the Assessment of Fair Housing (AFH) regional plan which includes Leavenworth. This five year plan forms the basis of our efforts to address fair housing issues. This year, the City continued to work on transportation and will apply to the Kansas Department of Transportation to start a local transportation system to address this impediment to fair housing. The City maintains a fair housing contact for residents and posts contact information on our web page. Last year the City started a new staff position the Rental Housing Advocate to deal with rental issues including those in the fair housing realm.

The City of Leavenworth meets with MARC and the four other cities in the regional AFH to strategize on efforts for furthering fair housing according to our plan and assists with implementation of goals.

## **CR-40 - Monitoring 91.220 and 91.230**

**Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements**

Generally, the City of Leavenworth's Community Development Coordinator conducts at least one on-site monitoring visit for each sub-recipient however the Coronavirus put these on hold for this year. The Coordinator did keep in touch through phone and web-based meetings.

In addition, all in-house projects, e.g. Housing Repair Program, Home Ownership Assistance Program, and Neighborhood Stabilization Programs are monitored by the CD Coordinator. Administrative procedures met all federal rules, regulations and guidelines for compliance and reporting.

## **Citizen Participation Plan 91.105(d); 91.115(d)**

**Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.**

The City of Leavenworth published a public notice in The Leavenworth Times on Friday, December 26, 2020. The public notice indicated that the CAPER Report was available upon request from the Community Development Dept. and on the City's website. Public comments were accepted until the Community Development Advisory Board meeting on January 11, 2021.

## **CR-45 - CDBG 91.520(c)**

**Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.**

Home repair program and the Home Ownership Program both had drops in their efforts due to the Coronavirus. However, the need for Public Service Agency assistance almost doubled, again due to the Coronavirus. Hopefully, the effects of the Coronavirus will be short-lived on the community so we do not plan to change our programs. We will continue all efforts to address the Coronavirus impact on Leavenworth.

**Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?**

No

**[BEDI grantees] Describe accomplishments and program outcomes during the last year.**
