In this locator, the numbered streets are not listed with either a north or south prefix (i.e., 4th Street is listed once as such, rather than N 4th St and S 4th Street). Shawnee Street is the line of demarcation between North and South street designations. For all north-south streets, addresses north of Shawnee have EVEN numbers on the EAST and ODD numbers on the WEST. South of Shawnee this is reversed: EVENS on the WEST side, ODD on the EAST.

All east-west streets have EVEN numbered addresses on the NORTH and ODD numbered addresses on the SOUTH.
