## Take a walk back in time...

to where the West began. Leavenworth the "First City of Kansas", invites you to step back in time and explore the rich history of Leavenworth by visiting our Historic Wayside Tour.

Waysides are interactive displays located throughout Leavenworth that feature unique local artwork depicting images of significant historical people, structures or events associated with that site. There are 13 Waysides located in the riverfront downtown area that can be experienced as a walking tour as well as 7 Waysides as a driving tour.

From President Abraham Lincoln, to Buffalo Bill Cody, Susan B. Anthony, the Star of the West Saloon, the Underground Railroad, and our African-American "Unsung Heroes", we know you will be captivated by Leavenworth's abundant history. The citizens of Leavenworth, past and present, are eager to share their warm hospitality and unique history and heritage with you.

You can begin your walking tour at marker #1 located at the beautiful Leavenworth Landing Park that runs adjacent to the Missouri River, or start the driving tour wherever you please. (Please refer to the map on the inside of this brochure for more information).
